Project Application

The Marquette County Brownfield Redevelopment Authority (MCBRA) administers several Brownfield Redevelopment programs in Marquette County. Funding may be available for certain eligible activities including: Phase I and II Environmental Site Assessments, Baseline Environmental Assessments, Due Care Plans, Cleanup Planning, Cleanup activities and Asbestos Surveys. This application is also used for those projects seeking enrollment in a Brownfield Plan to reimburse eligible costs related to brownfield redevelopment through tax increment financing (TIF) capture due to new investments on the property.

This application has been developed for interested parties requesting potential brownfield funding on a redevelopment project within Marquette County. Project funding will be considered by the MCBRA on a case-by-case basis considering the merits of the proposed project. Criteria for project consideration are listed on page 5 of this application. Based on a review of your completed application, we will contact you within ten (10) business days to discuss the next steps in the process or if we need additional information.
