

**COUNTY OF MARQUETTE
2019 BUDGET
GENERAL FUND
HOW EACH PROPERTY TAX DOLLAR IS DISTRIBUTED**

Figures given for school districts, city/township tax above are an average tax rate for the 10 school districts and the 22 city/township units that levy taxes within the County.

Within the County, the median value of a home is approximately \$150,000. Such a home would pay a total property tax of \$3,298.44 for 2019. The distribution of these dollars would be as follows:

School District	\$ 1,517.63
County	571.50
Intermediate School District	165.23
City/Township	594.08
State of Michigan Education Tax	<u>450.00</u>
	<u>\$ 3,298.44</u>

Thus, of the total property tax payment of \$3,298.44, the above homeowner contributes \$571.50 to the County to pay for County-provided services such as countywide transit, police protection, central dispatch, public records, and jail services. This works out to \$1.566 per day.
