“225 EXEMPTION LETTER”

Part 91, the Soil Erosion and Sedimentation Control Act has a specific exemption for projects that are within 500’ of a lake or a stream but will disturb **less than 225 square feet and not contribute sediment to lakes or streams.** Upon signing this letter and returning it to the Marquette County Building Codes Department, you will be exempt from obtaining a soil erosion permit for your project. If your project is found to have contributed to sediment loss off the site or into a lake/stream, this waiver will be void and a permit will need to be obtained from this office.

Building permit # (if applicable): _____ Date: _____

I hereby state that my earth change will be _____ square feet and therefore exempt from a soil erosion permit. I also will state that my earth change will not contribute sediment to lakes or streams.
