UPDATE ON COUNTY OPERATIONS

Marquette County will continue to limit access to the Marquette County Courthouse Complex and the Ishpeming Service Center. These restrictions will be in place until further notice.

All Marquette County courts are accepting filings and holding proceedings that are open to the public. When possible, remote options are being utilized for court appearances. If you are scheduled to appear in person for a court proceeding please contact the court in which you are scheduled to confirm that your physical presence is required.

With the exception of the County's Probate, District, and Circuit Court parameters detailed above, **all visitors to the Marquette County Courthouse Complex and Ishpeming Service Center will be by appointment only.** The public is urged to continue to use phone or online services. A link to these services can be found on the homepage of the Marquette County website at <http://www.co.marquette.mi.us/>.

The public will continue to have one point of access to the Courthouse Complex. You may access the Courthouse and Annex Buildings through the doors located between the Jail and the Annex Building off of Baraga Avenue. Unless you are medically unable, you will be required to wear a mask in the Courthouse and Annex Buildings. Social distancing measures must be followed.

For current COVID-19 information, please visit www.mqthealth.org or call 1-888-535-6136.

This will be in effect until further notice.
